

READY SET LEARN

School District 5 is inviting all 3 to 5 year olds to school!

Ready, Set, Learn is an initiative that recognizes that families need positive connections with the school system and community agencies that provide relevant resources and information. All public elementary schools in Southeast Kootenay School District will be offering an opportunity for all three- to five-year-olds to connect with their neighbourhood school (children born in 2019, 2020 & 2021 (who have turned three by the date of the RSL event). This event is a partnership between the province, the district, and the early childhood teachers in Cranbrook, Fernie, Sparwood, Jaffray, and Elkford.

Cranbrook schools are hosting a community-wide Ready, Set, Learn event. Please contact your neighbourhood school by phone or email for specific details and to register one week prior to their event date.

Parents and caregivers will receive helpful tips for supporting their preschooler's learning and development. They will also be given information about local services available.

Four and five year old children, who will be entering Kindergarten in September 2024, will also be invited to Kindergarten Orientation at their neighbourhood school.
