

# School Growth Plan

2023/2024 - YEAR 1

**Increase student completions in Brightspace courses by 10%.**

## SCHOOL GROWTH PLAN PRIORITIES

**Priority:** Increase student success at obtaining credits at KDS in pursuit of graduation through School District Number 5.

**Goals:** Increase student completions by 10% in Brightspace 4 - 12 courses within school calendar year (10 months).

**Strategies:**

1. Targeted Pro-D
2. Intelligent Agent (IA)
  - a. Drive better outcomes for at risk learners: Identify to the teacher when a student falls off track.
  - b. Keep learners engaged with rewards: Helps motivate learners as educators implement creative, mastery-based and competency-based education models.
  - c. Engage non-engagers: Emails to students not active for 7 days in a row
3. Full time student homerooms - success checks by counsellors and Principal
4. Teacher adapted content and assessment in Brightspace

**Expected Outcome:** Increased student engagement in classes.

**Indigenous Students and Youth in Care:** Active connection with IESW and YCW

## EXISTING AND/OR EMERGING AREAS OF NEED

- Continuous improvement is required. As new developments come to light in Brightspace these will be studied and applied if warranted.
- A collaborative process will begin to engage staff in research, debate, and sharing of best practice.

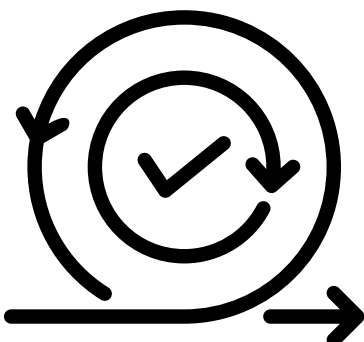

## ADJUSTMENTS & ADAPTATIONS

### Engaging All Learners

**Goal:** To inspire all learning partners to create and contribute to an engaging, personalized educational experience for our learners.

- Provide a safe, supportive environment that fosters continued growth in a rapidly changing environment
- Honour all pathways to graduation
- Acknowledge deeper learning opportunities based on individual strengths and abilities
