Class Supply List

2023 - 2024

Dear Parents,

We ask that you pay close attention when purchasing items locally. Some of the items on this list are indicated by brand name; experience has taught us that these are reasonably priced, higher quality items that last for the greater part of the year. We have found that when you purchase cheaper supplies you get just that - cheaper supplies and they do not last. Some supplies can be saved from year to year and reused such as scissors, rulers, etc. Please have pencils and pencil crayons sharpened if possible. Thank you!
