Reminders:

- ❖ The purpose of all meetings is to help students.
- ❖ Trustees are encouraged to keep abreast of what's happening in our schools and look for opportunities to lend a helping hand.
- ❖ Committees must not take on the role of the Board. (Just as the Board must not act like a Committee.)
- ❖ The public's perception of our actions will be just as important as the action itself.
- ❖ Trustees and Committee members should agree or disagree with motions or ideas – not with people.
- ❖ Committees recommend or advise.
- ❖ Two trustees will be assigned to all job interviews involving school and/or district-based leadership
