

Ready, Set, Learn

Ready, Set, Learn is an initiative that recognizes that families need positive connections with the school system and community agencies that provide relevant resources and information. This program is designed to help you and your preschooler get ready for success in school and become a lifelong learner. All our Elementary Schools in School District No. 5 (Southeast Kootenay) will be offering an opportunity for all 3 to 5 year olds and their parents or guardians to receive an information/activity package.

This program is intended for children born between January 1, 2016 and December 31, 2017. Welcome to Kindergarten activities are being planned separately. For more information, contact your local neighbourhood school at the number below.

We looking forward to meeting you!
