March 2024

Earth Keepers Extraordinaire

A big thank you to Addy, Harlow, Jade, and Talynn for taking the initiative to pick up garbage on the playground several times the past week! It is so great to see our primary students being leaders and wonderful to see our playground looking so clean.

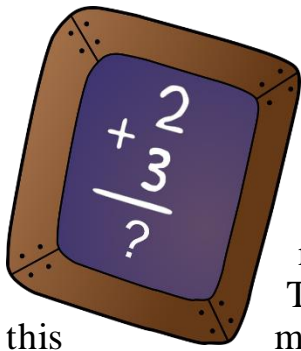

A HUGE shout out to Amy Quaife for organizing the intermediate grades' ski days! It's been so much fun for students and parents!

Spring Flower Baskets!

Casey's Greenhouse will yet again be providing GTES with fresh flower hanging baskets, strawberry baskets, and planters. Order forms will be going out this week and orders will be delivered to the school in May. These beautiful baskets are locally grown, with all proceeds going towards the annual Grade 6 Blue Lake Leadership Camp! Use the link below or log on to School Cash Online to order.

Mathathon

Thank you for supporting our Mathathon this year.

We were able to raise \$6,350.40! Teachers will be using this money to purchase materials to support your child's reading, writing and numeracy skills. If you haven't had a chance to send your pledges back to school, you still can!

Kindergarten Registration

If you have a child, or know of a child born between January 1, 2019, and December 31, 2019, you are encouraged to register for kindergarten as soon as possible. Please use the link below or come into the office for a paper copy.
