Dear Ms. Stewart,

RE: Sustainable Teacher Workforce Labour Market Project: Sector Market Partnership Report

Last month the School District 5 (SD5), Southeast Kootenay BC British Columbia Public School Employers' Association (BCPSEA) representative, Trustee Krista Damstrom, requested information regarding the status of the *Sustainable Teacher Workforce Labour Market Project: Sector Market Partnership Report*, to which you kindly responded.

In your response, you indicated that “[b]y the time the report was finalized...the data...were stale and not relevant to the current context. So...the report was not released.”

While our Board understands that “[f]urther work is required to update the report for currency”, our Board would still like to receive a copy of the report, as it is currently written.

Thank you in advance for providing us with a copy.

Sincerely,

Frank Lento, Board Chair
