Hello Chairman Lento,

Many thanks for the accolades of doing the work I enjoy as part of my passion and work as an employee in SD5. You will know that the pride, joy and feeling of service to the children and youth we serve is what rewards the work we do in paid and unpaid work we all do in the district.

I also greatly appreciate the District support of time, in-kind support and funding as we, as a committee of volunteers, provide opportunities to students as they showcase their learning, presentation competencies and enthusiasm.

It is the energy that students bring to the fair that fuels our collective commitment to continue the work we do. Many thanks!

Yours in science,
Darcy
