- The Rental Application must be signed by the user that is responsible and aware of all terms and conditions relating to rental or school properties. User must be 19 years or older.
- No admission will be granted to a rental group unless the group is able to produce proof of rental at door of property on the first evening.

1.2. Continuing Rentals

Continuing rentals are for the current school year only and organizations must reapply annually. Such applications must be received between May 1 and June 30.

1.3. Payment of Rental Fees

Payment for Rental must be paid for at the time of booking and may require the posting of a damage bond and/or proof of liability insurance. The School Board reserves the right to amend and change rental rates at any time. See Schedule B- 1 for Rental Rates.

1.4. Insurance Requirements

Community groups which are loosely organized and are not either a corporation or a society will be unable secure insurance in their own name because they are not a legal entity. This is the only circumstance under which the insurance requirement will be waived. If the community group is a corporation or a society, they must provide commercial general liability insurance. Insurance shall be for no less than \$5,000,000 and name School District No.5 (Southeast Kootenay) as an additional insured. School District employees are not insured by the School Protection Program for activities conducted outside the scope of their employment. Use of the School properties for personal use is considered personal use by the employee and employees would not be covered by the School District's commercial insurance during this time. Employees may have liability coverage if they have personal insurance such as a Homeowners policy. Employees acting outside the scope of their employment do not qualify for

Work Safe BC coverage, nor is there any accident benefits coverage provided by School Protection Branch.

1.5. Cancellation

School functions have priority over Rental Agreements. In the event of extraordinary circumstances, the rental agreement may be canceled with no notice upon written direction of the Superintendent of Schools. All individuals or groups who wish to cancel a session must notify the school district office seven (7) calendar days before the session is scheduled to occur. If such notice is not provided the regular rental rate will apply. A “no show” in the absence of a formal cancellation will result in a review of continuing the rental for the individual or group. In the event of partial or total cancellation of a rental agreement, a refund will be granted where seven (7) calendar days notice has been given by the renter or where the renter has been canceled by the school district.

The school district assumes no responsibility whatsoever, if cancellations are caused by power failure, furnace failure, Fire Marshall regulations or other causes beyond the control of the school board. Failure to comply with community use regulations could result in immediate cancellation of the rental. In case of labour disputes (strikes, lock-outs) resulting in the closure of schools, all rentals will be suspended. In the event of such revocation or cancellation, there can be no claim or right to damages or reimbursement on account of any loss, damage or expense whatsoever.

1.6. Access

- User Groups shall be denied access to areas within the school not requested on the Application to Rent School Properties and shall be denied admission to rented areas prior to or exceeding times indicated on the Rental Application.

The supervising adult must be present prior to admission of children into the school properties.
- Access to school properties may not be gained before 4:00 p.m. on any regular school day unless by special arrangement with the school principal. - Rented properties must be vacated by 10:00 p.m. Occupation past this time will result in charges for additional rental and custodial time.
