

Early Learning Community Connection

Numeracy

Join Kathy Conlin, SD5 District Numeracy Teacher and Laura-Lee Phillips District Principal of Early Learning, to learn how and why math instruction has shifted and how you can support your child with this shift at home. The evening will focus on research, practical strategies, and growth mindset messaging.

Coffee and treats will be provided!

Who should attend:

- Pre-Kindergarten Parents and Caregivers
- ECE Educators
- Child Care Providers

*space is limited, please register
