Weekly Newsletter
Thursday, June 1, 2017

Track and Field: The District Track meet is on June 6th. We are looking for a shade tent or two for our High Jump station. Please contact Carissa.hart@sd5.bc.ca if you have one to loan for the day. Thanks in advance!

Class Photo Re-takes: We are going to retake our class photos as we weren't as happy as we usually are with the final product. The class photo re-take day will be on June 15th.

Grade 4 Parents Surveys: We have had an extension to complete the survey until June 16th. We currently have a 14% completion rate. Please take the opportunity to share with us. Choose the option on the right that does not require a password. You can find the link at www.sd5.bc.ca

Canadian Parents for French Bingo Night: TONIGHT CPF is hosting another Bingo Night from 6:30 - 8:00 pm. Admission by monetary donation. Students must be supervised by an adult. If you can help by donating a prize for the winners please contact Shanda at shandaf@shaw.ca

New Bike Racks: Thanks to our Maintenance department, we now have bike racks on both sides of the school. Students are strongly encouraged to bring a bike lock with them (and write their code down somewhere safe). Students who use the bike rack by the playground need to walk their bike behind the school to access the road and not go through the parking lot as the traffic is very high after school.

Tick Season: Looks like we might have a bountiful tick season this year. We've not normally worried about ticks from the garden and playground, but we did find one on a carpet after the long weekend. Might be worth while checking periodically.

Junior Paleontologists Summer Program: For more information on cost and times please check out the attached poster as well as the waiver that is required for each participant.

Lost and Found: Our lost and found is overflowing. We're going to display the lost and found for the rightful owners to come and claim their gear until we have until the Bingo Night (June 1st). After that date, families who could use some extra clothing for their kids can come and grab what is still here. The rest will be donated to the Salvation Army on June 29th.

Library Books: The last week to sign out books from our Library is June 5 - 9th and will be due the following week.

Parking Lot: Our parking lot is reserved for staff and students who require wheelchair or mobility accessibility. Please do not enter the parking lot at drop off or pick up. The loop is quick drop-off and pick up zone for students in grades 1 - 6. Students should be waiting for their parents under the covered area to be picked up by parents from the loop. There is no parking allowed in the loop. Thank you for your understanding.

Next Year Information: If you are considering changing programs, schools, or are moving can you please contact the office. It is very important as we begin to look forward to next year. Thank you! Parents may contribute input into next year's placement in writing to Brenda by June 8th. All information will be considered, but not all requests may be fulfilled.

Garden: A BIG shout-out to Terra Wilson and the group of parent volunteers and students who have been coming on the weekend to weed the garden. Another shout-out to PAC who approved the purchase for the new mulch for the space. Classes spent some time on Monday helping to spread the new mulch and plant new plants into our school garden. The work that was done is phenomenal and the space looks fantastic. We are fortunate to have such a well-cared for, natural space in our school yard.

Twister Shout-out: Take a look at our school blog to see what's been going on in our school and who is making it happen!
