Track and Field

Our grade 4, 5 and 6 students had a fantastic performance at our school's track meet at the College of the Rockies. We were so proud of their sportsmanship and their positive and encouraging behaviour.

Thank you to the parent volunteers who came to help out at the finish line and at the field events. We could not have done it without you.

Also a big thank you to the PAC who organized a concession. Our school is hosting the District Track meet on June 5th and we will be looking for concession volunteers for that date as well.

Students who qualified for the District Track meet will be notified early next week.

Lost and Found

Our lost and found is once again overflowing! It is full of sweaters that students put on in the chilly mornings and then left somewhere around the school yard once the weather heated up. Next time you're in the school please come and take a look to see if anything belongs to you.
