

WE-BIKE is going to be at SAM STEELE DAYS!

The Sunrise Rotary Club of Cranbrook is challenging all Cranbrook families and cyclists of all ages to ride their bikes down to the Western Financial Place on Sam Steele Sunday, June 17th.

The Rotary We-Bike cycling program will be setting up their fun bike activities from 12:30pm-3:00pm at the Western Financial Place. Bring the whole family down and challenge your bike skills. Meet us at the top of the ramp that leads down into the WFP. The activities will be set up on the arena floor. It's a great chance for the We-Bike students to bring their parents, siblings & grandparents down and show them how well they can ride tight corners, do the limbo and challenge the ramps & teeter totters.

**Your We-Bike Coaches hope to see you on Sam Steele Sunday!
12:30pm to 3:00pm at the Western Financial Place**

"I Bike, You Bike, WE BIKE!!!"

There will be lots of fun Sports activities going on all Sunday to celebrate the 2018 Sam Steele Days theme of "Salute to Sport". Included in the day's events includes the Torch Ceremony for the 2018 55+ BC Games which happens at 12 noon at Balment Park. Check out the Sam Steele Days website for all the fun details: www.samsteeledays.org
