---

*Mission statement:* "To engage our learners to reach their potential in a safe and supportive community."

---

### PAC Movie Night

Our PAC was able to purchase a new release for Movie Night: **Ralph Breaks the Internet**. This fundraiser will take place March 8<sup>th</sup>, \$5 per person attending (suggested donation). All students must be accompanied by an adult. Doors open at 5:45 pm, movie begins at 6:00 pm. Popcorn is available for purchase. PLEASE BRING YOUR OWN WATER BOTTLE TO FILL.

### Hot Lunch and Absences

If you have ordered Hot Lunch and your child is absent that day, we will be donating it to a child in need, or you could come and pick it up at noon. Unfortunately we don't have the man-power to run lunches to different requested classrooms or the space to be able to store lunches until the absent child returns to school. Thank you for your understanding.

### Flower Basket Fundraiser

Our annual Spring Flower Basket fundraiser is now open. Order forms have been sent home. We are selling tomato, strawberry and flowering baskets as well as standing round planters. There are also geraniums, marigolds and petunias.

Orders are due on **March 8<sup>th</sup>**, they will be delivered to the school for Mother's Day weekend.

### March 8

PAC Movie Night, doors open at 5:45, movie starts at 6:00

### March 11

D.A.R.E. Grad - Grade 5 at 10:15

### March 14

Carnaval d'hiver 1:30 – 2:30  
PAC Hot Lunch

### March 15

No school – start of spring break

## Grade 5 D.A.R.E. Grad

Invitations have gone home to parents, guardians, special friends and family to help us celebrate. Join us on Monday, March 11th at 10:15 am in our gym.

## Next Year's Information

If you are considering changing programs, schools or if you are moving please contact the office and let us know. It is very important as we begin to look forward to next year. Kindergarten registration is also open.

## Absence from School

If your child is going to be absent from school, **please call to the office to let us know why they are not here. 250.489.4575**

Congratulations to all of our Scientists on your Science Fair projects.

## Healthy Families, Healthy Children

### Focus on: *Physical Literacy*

Have you heard of the term “physical literacy”? Physical literacy means that a child:

- Has the physical skills to participate in different activities, such as skipping, throwing, running, and kicking.
- Has the motivation and confidence to want to participate in physical activity.
- Has the knowledge and understanding to recognize the benefits of being active, and how to be active safely in different ways.
- Engages in physical activity regularly.

Physical skills are developed through practice. Give your child opportunities to try out different movements through structured and unstructured play, games, and sports.

Motivation is developed when children have fun with their movement. If your child enjoys the time they spend being active, they will be more likely to continue to have an interest in movement. As a role model, help build your child’s self-confidence by being positive and providing encouragement.

Mrs. Reinarz and Mrs. Gauthier's grade 5 class enjoying this winter weather.

## Month at a Glance
