Since Jump Rope for Heart started in 1983, schools like ours have raised more than \$75 million for the Heart Foundation's lifesaving work.

Registering online is the safest way to fundraise, so they can receive the full benefits of the program. simply follow the link below to get started. <http://www.jumprope.org.au/parents>

When you search for our school, put a space between the "T" and the "M", (T M Roberts).
