PINK SHIRT FUNDRAISER

Dear Parents:

Anti-Bullying Day or Pink Shirt day is April 8, 2020. This day originally started as protest against a bullying incident at a high school in Nova Scotia when a grade 9 student showed up to school in a pink shirt and was bullied for wearing it. The movement is now North America wide and symbolizes a stand against bullying. It is a great opportunity to show as one group we stand together.
