## News from the Youth Care Worker:

“Breakfast Club has been a hit with the students this year. It is a great place for all students to get a little something more to eat; especially if they have had an early sports practice, been on the bus for a while or just didn’t get enough breakfast in the morning.

Breakfast Club is open to all and a great way to build community with each other. I truly believe that a full belly makes for a successful day and I love getting to know the kids. Breakfast Club will gladly take any donations in kind, either food or monetary. Thank you very much!
