

January 28, 2020

Dear Donor,

Our current playground is a wonderful area for students to play, be physically active and enjoy the outdoors. However, we do not have enough structures to accommodate the growing number of students in attendance at TM Roberts Elementary School. Some of the structures are quite old and have already required repair and our current equipment caters more to the younger students. For these reasons the Parent Advisory Committee (PAC) has created a playground committee and developed a plan to use either the Habitat Systems or Kompan Brand playground structures to expand and improve our school's outdoor space.

Through fundraising and BC gaming grants, we have raised \$40,000. The new equipment (including tax, delivery and installation) will cost up to \$90,000. In order to raise enough funds and make this dream a reality, we need your help!

We have selected equipment that encourages physical literacy and has a parkour theme. Activity circuits like this are popular, offer endless options for play and will benefit not only our students but also the local community. We are asking that you please consider making a donation towards the playground. No donation is too small and your donation will go directly to the playground project.

As many of you work outside of the home, would your place of employment consider making a donation? We would be happy to recognize the donors if they would like and we can offer a tax receipt for all donations (cheques can be made payable to School District #5 and will be kept in trust for TMRES PAC). Please contact tmrspac@gmail.com for more details about the project.

If you are able to donate, please return this form to the school office or PAC mailbox.

Thank you,

TM Roberts PAC

TM Roberts Elementary School Playground Fundraising 2020

YES – I would like to donate to the playground project!

Name: _____

Company Name (if applicable): _____

Address (for tax receipt): _____

Amount: _____

I would like to receive a tax receipt (for donations of \$20 or more, must provide name and address)
