Partial Return to School

As mentioned in the weekly update from our Superintendent, a team from the district is starting to formulate plans to look at what an optional, partial return in June could look like. They are looking at a “phased-in approach to resuming in-class learning, guided by strict health and safety guidelines”. Click [here](#) for the May 6th press release. We will update you with our District's plans as they become available.

Kids These Days – Online Course by Dr. Jody Carrington

Our District has purchased a license for an online course by Dr. Jody Carrington for staff AND parents. This course is informative, entertaining, enlightening and possibly game-changing. In order to access this course, click here: <https://drjodycarrington.teachable.com/p/kids-these-days2> and enter the coupon code **SK2020** to receive this course for **FREE, value of \$175**. Let us know if you enroll, we'd love to hear what you think.

Her book, *Kids These Days*, is in high demand. Lucky for Mrs. Hart she has friends who share. [Click here to see video](#).
