Partial Return in June

Thank you parents, students and staff for a smooth re-opening! A lot of work and scheduling went into getting ready for this “new school” and your flexibility and cooperation has made this partial, part-time opening a success. It has been so great to see the students. A special thank you to Liza Brereton who put together this [Video](#) to help students understand how school looks different during this time.

If you had indicated that you weren't attending but you would like to we will **require one week's notice** for our planning. With space and capacity limitations one new registration could possibly change the schedule for the class and we need the time to plan and notify parents. Thank you for your understanding.

School Cash Online

We will no longer be accepting cash at the office for the 2020-2021 school year. TM Roberts is moving to online payments for student fees and field trip payments. Take the time to register for Cash Online now in order to make the process smoother in September. It takes less than 5 minutes to register. Please follow these step-by-step instructions, so you will begin to receive email notifications regarding upcoming events involving your child(ren) (ski trips, school fees etc.).

Step 1: Register. Go to <https://sd5.schoolcashionline.com>, and select “Get Started Today”

Complete the registration steps. Passwords require 8 characters, one uppercase letter, one lowercase letter and a number.

Step 2: Confirmation email. A registration confirmation email will be sent to you. Click on the link provided to confirm your email and *School Cash Online* account.

Step 3: Find student. You will be prompted to find your child by using first and last name, as well as birth date. If you have more than one child, you can Add Another Student.

A Message from our Teacher - Librarian

June and library books!

What a different last month of school for the 2019/2020 school year! As the year winds down, the library is in need of all books that were signed out prior to Covid 19. All classroom teachers have lists of students who still have materials out. If your child is attending school in June, please have them return any books on a day they are here. If your child is not attending, please have a look around for books and contact me via email or phone to arrange a drop off of books. I am here from 8-12 Mon.-Thursday, but because we are limiting access to the building, I would need to meet you at a door to get the books. I appreciate the help in getting everything returned, especially for the grade six students who will be moving on to Middle School.

2020 – 2021 Class Configurations

Back to School!

We have loved having the students back at the school! We were lucky for our first week to have fantastic weather, please remember to wear and bring clothing for the weather as we are outside a lot!

This includes: jackets, rain boots, umbrellas, rain jackets, tuques – we are going outside in all kinds of weather!
