

Here we are in the month of December already and all I can say is "where has the time gone?" It seems as though school start-up was just happening and the Kindergarten students and I were orientating ourselves to a whole new world; actually, everyone was orientating themselves as we made our way into the new world of Covid protocols and safe return to school practices! Turn the clock forward and here we are already in our last week of school for the 2020 school year!

I have said it many times, but I continue to be awed by the amazing students and incredible staff who make up the École TM Roberts school community. We have a building filled with unique gifts and talents which combine to create an environment of endless possibilities and diverse learning opportunities; j'adore cette école!

Report cards go home on Thursday December 17<sup>th</sup>. I encourage parents to contact their child's teacher if they have any questions about their student's learning. My thanks and appreciation to the teachers who write these reports; they dedicate many hours of time to the reporting process and carefully consider each individual child's learning as it's captured in a snapshot in time.

At this time I want to extend my sincerest thanks to all for welcoming me to be a part of a new family. I hope that the break will provide time to recharge and entice people outdoors and fill each and every one of you with hope and optimism for the coming year.

Wishing you peace, joy, hope and health in 2021.

Sincerely,

Mme. Michelle Sartorel

Mme. Carolyn's and Mme. Sophie's festive class room

Cassidy and her LEGO creation.

Plaid Day for Mme. Ashley!

Mme Ashley made a little video to spread some Christmas joy. Click [here!](#)

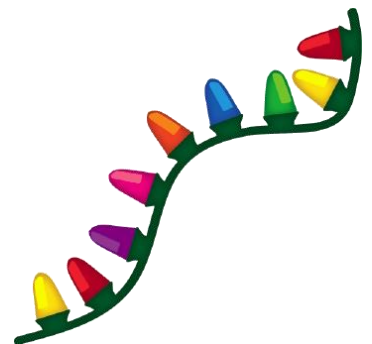

Mme. Anick's grade 1 class practicing their play, "les 3 petits cochons."

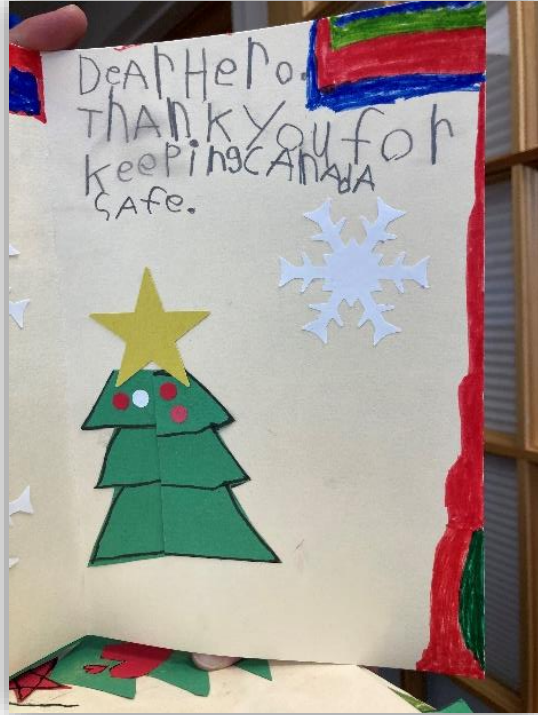

These Kindergarten students are digging their way to the North Pole!

M. Alex did a teaching practicum in Mme. Anick's class. He got an A+ for festive wear!

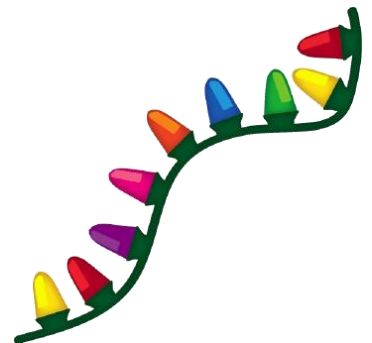

Mrs. Ivanco's grade ½ class wrote thank you cards to veterans overseas.

Josie with her *sapin de noel*

Mme. Andreean teaching her students a song with actions

Mme. Anick's class taking advantage of a sunny day and climbed Eager Hills

Mr. Eadie invited in a "special guest" scientist. ;-)

Mr. V getting into the festive spirit!
