### Clean Water for Guatemala

Congratulations and thank you to the students and families of TM for supporting World Vision's passion to ensure all people in all countries have clean water to drink. The money our school has raised is going directly to a community in Guatemala that presently does not have access to safe water to drink and has to walk miles to get water that is making them sick. This fundraiser was student-initiated. The class learned about different social justice issues around the world, this one particular project went school-wide. Our school raised close to \$500. Dominoes and 2 for 1 Pizza have kindly donated pizzas to the class that brought in the most money. Congratulations to Mr. Edie's class for winning the pizza party!

Congratulations to all those students who biked to school this week! A BIG thank you to the Bike to School coordinators who helped to keep track of participants: Seylah, Amber, Eliza and Ella. Thank you to Liam and Londyn for keeping track of the data and reporting it out on the TM Twister news.

We had over 50 students bike to school every day. That's pretty impressive considering that our school welcomes students from all over Cranbrook. Great job!
