Fundraising for the Flood Victims

Our school has reached out to two schools in Merritt to offer support from the flood disaster. We are doing a Toonie/coin collection to help a community in need. If you are able to contribute to this cause, please send some loose change. Our money will go directly to helping families from two schools. If every student brings a Toonie that will be over \$700 that we could send to spread a little cheer.

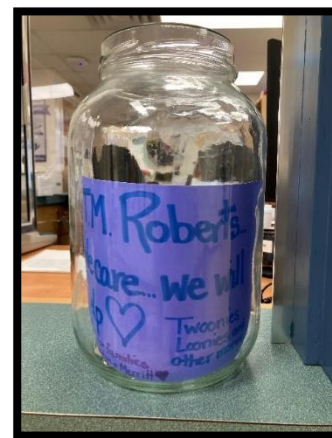

Covid Protocols

If you are unsure if your child should attend school, please use the [health app](#). We very much appreciate your continued support in supporting the covid protocols for our school.

Save-On-Foods

Every time you shop at Save-On-Foods, you can ask the cashier to put 5% of your grocery purchase to go towards our school – at no cost to you! We use these funds to pay for enhanced curricular activities such as gymnastics, skating and field studies.

Thanks to Save-On Foods for supporting Cranbrook schools!

Kamaia practicing her 'poi" skills. Our school has acquired new circus arts equipment, including juggling balls, diablo and more!

Mme. Megan's class visiting Mr. Duczek at Tinker Time at Mount Baker Secondary School.

Introducing Nathalie Brons!

Nathalie has joined our team as a French Teacher's Assistant. She provides French language support in all 11 of our French Immersion classrooms and she is with Parkland students on Wednesday mornings.

She also has a knack for helping with our Lost and Found. These two pieces of clothing had a name label in them and Nathalie will be returning them to their owners. Merci Mme. Nathalie!
