A BIG Change for École TM Roberts

Things never stay the same forever... and that includes the staff of École TM Roberts. This school has been very lucky to have the amazing support, guidance, and leadership of Mme. Hart for 7 years!

She has won the hearts of students, parents and staff. While I am sad for all of us here at TM, we will send Mme. Hart on her way to Steeples Elementary School where she will be working in a Vice Principal role and helping to support the learning journey for this community. Mme. Hart will begin at Steeples in September, and we will welcome back Mme. Carlene Lochrie to TM in the fall.

Au revoir Madame! Vous nous manquerez, mais nous vous souhaitons tout le bonheur possible.

Flower Basket Fundraiser

If you ordered baskets, they will be available for pick up at the school **Thursday, May 5th from 11:30 am until 4:00 pm.**

The busiest pick-up times will be at dismissal time. If at all possible, please come during the afternoon when it's quieter.

Ready, Set, Learn

RSL is an initiative that recognizes that families need positive connections with the school system and community agencies that provide relevant resources and information. All public elementary schools in Southeast Kootenay School District will be offering an opportunity for all 3 to 5 year olds to connect with their neighbourhood school (children born in 2017, 2018 & 2019 (who have turned three by the date of the RSL event)).

CPF News

The next meeting will take place on Thursday May 5th at 6:30 in the TM Roberts Library. New members and participants are always welcomed.

Our Basketball season came to a close. Thank you to M. Fraser, Mme. Sophie and Mme. Hart for giving these students a basketball experience.

A big thank you to Mrs. Kristy Shields for bringing in Disc Golf Pros and the Senior group "The Chain Rattlers" to teach our students about disc golf. Many of students also participated in a round of disc golf at Idlewild.

TM Roberts Participated in the Heart and Stroke's 40th year of Jump Rope for Heart.

Each classroom participated in a variety of jumping stations and stayed active for over 30 minutes.

Students learned about the importance of daily physical activity to decrease the risk of heart attack and stroke.

Families raised close to \$700 for the Heart and Stroke foundations.

Students of TM Roberts participated in the City of Cranbrook's "Spring Spruce Up" event and collected litter around the school's catchment. In the afternoon they were thrilled to see not 1, but 2 electric cars that they had the opportunity to learn about and explore.
