

Kootenay Regional Science Fair 2016

Presents

Cory Cameron

B.Kin., Adv. Cert. A.T., CAT (C), ATC

Potenza Rehabilitation and Performance

Certified Athletic Therapist

Rehabilitation Consultant with the Kootenay Ice

March 3-5, 2016

Cranbrook, BC

- Cory is a highly respected Athletic Therapist at elite levels of hockey. Over the past 14 years he has expanded from strictly team-oriented work, to clinical studies, and other areas of innovative research in Athletic Therapy.
- Through assessment, active rehabilitation, and education, Cory applies his vast knowledge and passion for helping others, and assists his clients to return to their daily activities as quickly as possible.
- Cory has recently opened Potenza Rehabilitation and Performance in Cranbrook, and has enjoyed immediate success, largely in the area of Concussion Baseline Testing and Post Injury Assessment and Rehabilitation.
- Cory's impressive resume includes one year in the BCHL, 11 years in the WHL (capped off with a 2007 Memorial Cup championship with the Vancouver Giants), Team Pacific U17, Team Canada U18, as well as various other Hockey Alberta, Hockey BC, and Hockey Canada events. He has also contributed at the international level and was part of the gold medal winning teams at the 2012 and 2014 Ivan Hlinka Memorial Tournament. Cory worked with Crash Conditioning for 9 years and has most recently worked as the Head Athletic Therapist for Team Canada's National Men's Sledge Hockey Team.

The East Kootenay Regional Science Fair is very excited that Corey Cameron will be speaking at this year's fair.

Concussions in Youth Sport

Thursday, March 3, 2016 6-6:45 pm (COTR Lecture Theater)

(This session is aimed at parents, coaches, teachers, recreation leaders, etc)
