

Kootenay Regional Science Fair 2016

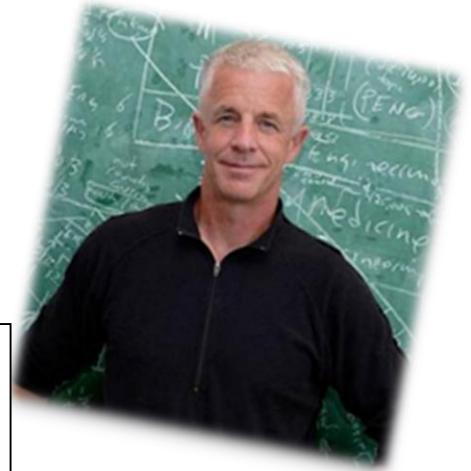

Presents

Dr. Dean Kriellaars PhD

Associate Professor, Department of Physical Therapy
Faculty of Health Sciences, University of Manitoba

March 3-5, 2016

Cranbrook, BC

- Dr. Kriellaars teaches with the Department of Surgery, Department of Anatomy and Cell Sciences, Department of Physiology, and Faculty of Kinesiology and Recreation Management.
- He is a scientist with the Spinal Cord Research Center and a research affiliate for the Health, Leisure & Human Performance Research Institute.
- His Human Performance Laboratory at University of Manitoba has numerous students working on physical literacy and physical activity, related to health, performance, injury prevention and treatment.
- Dr. Kriellaars also works with Canadian Sport for Life, PHE Canada, the Sport Medicine Science Council of Manitoba, Canadian Center for Substance Abuse, Cirque du Soleil, and the National Circus School.

The East Kootenay Regional Science Fair is very excited that Dr. Kriellaars will be speaking 4 times at this year's fair.
