

WILD Battle at the Border Basketball Challenge

Mt Baker Sr. Girls Basketball are excited to host the 2nd Annual College Basketball Tournament, September 23-25, 2016 at College of the Rockies. This year there are 6 women's teams coming to play; Augustana University (Edmonton), Concordia University (Edmonton), Ambrose University (Calgary), St Mary's University (Calgary), Capilano University (North Vancouver) and Camosun College (Victoria). We are excited to host these teams and create an event that will continue to grow for the future.

We also want to make it as economical as possible and to engage our elementary students. Students will get into the games free if they wear the colours of one of the competing teams (a list of team colours is below).

DAREN the Lion be there dressed up in Mt Baker WILD clothing and bringing excitement to the gym. There will be halftime entertainment and give-aways throughout the tournament. A day pass for adults is \$10 and a tournament pass is \$20.

Here are the assigned colour for the schools (there are two white teams but they will not play each other):

<i>Augustana University</i>	<i>Red</i>
<i>Concordia University</i>	<i>Yellow</i>
<i>Capilano University</i>	<i>White</i>
<i>Ambrose University</i>	<i>Black</i>
<i>Camosun College</i>	<i>White</i>
<i>St Mary's University</i>	<i>Blue</i>

We are hoping you can deliver the message to your students so they are aware of the free event available to them. We hope to create an exciting atmosphere for these teams. Last year's teams raved about the tournament and it was a huge success.

We have attached the tournament poster. If anyone wants guaranteed seats for the event they can request their seats through wildgirlsbasketball@gmail.com

Thanks
